12x32oz

Steel Clean

STAINLESS STEEL CLEANER & POLISH

ABOUT THIS PRODUCT

Steel Clean is a proprietary blend of solvents and surfactants designed to clean and polish metal surfaces such as stainless steel, aluminum, and other hard surfaces. Steel Clean removes dirt, grease and other soils from the surface while leaving a brilliant shine.

FEATURES/BENEFITS

Highly Effective

Leaves A Brilliant Shine

Cost Effective

DIRECTIONS

For best results, apply liberally onto a cloth or surface to be cleaned and polished. After applying to the surface, polish with a clean soft cloth.

Removes dirt, grease and other soils from the surface while leaving a brilliant shine.

Do not use on solvent-sensitive surfaces such as acrylic, styrene plastics or latex painted surfaces. Do not over-spray onto surfaces that will be walked on, as they can become slippery.

PRECAUTIONARY STATEMENTS

Response: If skin irritation occurs: Get medical advice/attention.
